

Dr. Davis L. Reames
Neurological & Spine Institute
4 E Jackson Blvd Savannah, GA 31405

Patient Name: ERBERT HAYES

Surgery Date: 1-26-17 Type of Surgery: Lower Back

Dr. Reames and Staff

Wanted to message for me. i had suffered from
Back paine for many years. Since Dr Reames
and his staff done surgery on my back i have
not had any paine or problems. i went in the
hospital at 8am that morning and 1:30PM i was
on the way home. i felt so good all the pain
was gone and here four months later i am
still with out paine and it feels so good.

Dr Reames and staff

Thank you all so much

Elliot Hayes

P.S. the staff at Wayne Memorial hospital
was great all so. Thank you all so much

Elliot Hayes
